

# Virginia Household Water Quality Program

## New Kent County Drinking Water Clinic

**Do you have a well or spring and wonder if your water is safe to drink?**

*The Virginia Household Water Quality program offers affordable water testing and education to improve the water quality and health of Virginians who rely on private wells and springs.*

**How much does it cost? \$70 per sample kit.**

Testing includes: bacteria, lead, copper, arsenic, iron, manganese, pH, hardness, sodium, sulfate, fluoride, and nitrate.

	<b>Date and Time</b>	<b>Location</b>
