This **Food Safety Manager Course** was developed by the Educational Foundation of the National Restaurant Association. The text, ServSafe Manager 7th Edition, is part of the Foundation's food safety program. After completing the classroom work, participants take a national certification exam and upon passing receive their Food Protection manager Certification that is valid for 5 years.

The ServSafe Course is for:

- Anyone in charge of food service operations such as hotels, restaurants, schools, clubs, churches, or any other food service establishment.
- Food and Beverage Managers
- Catering Managers
- Chefs
- Dietary Managers

Cleanliness and Safe Food Matter:

The Centers for Disease Control and Prevention (CDC) estimate that foodborne diseases cause 76 million illnesses and 5,000 deaths annually. Approximately half of all foodborne illness outbreaks happen in food services operations.

It's the law!

The latest VA food Regulation update now requires that each and every food establishment must employ at least one Certified Food Protection Manager who has supervisory and management responsibilities.
